★★★★★

Drie fases uit het leven van Chiron, een homoseksuele zwarte jongen die opgroeit in één van de ruijste buurten van Miami. We zien hem als kind, tiener en volwassen man worstelen met zijn geaardheid, zijn mannelijkheid en zijn drugoverlastige moeder. Een rolmodel in zijn jonge leven is de man die zich uiteindelijk over hem ontfermt: drugsdealer Juan, aangrijpend en prachtig getiteld portret, waarin regisseur/scenarist Jenkins ons niet alleen laat kennismaken met een totaal complex personage, maar ook met een wereld die we zelden tot noot in de bioscoop zien. Bekroond met de Oscar voor beste film.
